TO WHOM IT MAY CONCERN

This is to certify that **Mr. Abhilash Datta**, 4th year dual degree in the Department of Computer Science at the *Indian Institute of Technology, Kharagpur*, has carried out his internship at the **Indian Institute of Technology Hyderabad**, from **29th July 2021** to **1st March 2022** under my supervision. During his internship, he worked on the implementation of *Federated Learning using Wasserstein Generative Adversarial Network for Brain Tumor Segmentation*. I observed that he is quite focused and dedicated to his work.

Sincerely,
(Dr.C.Krishna Mohan)
